## Welcoming Jesus Christ and One Another.

Dear Friends in Christ,

**A warm and gracious welcome to you and all members of our church family! What would our churches look like if we remembered that our congregations preach far more than half the homily? A scripture scholar, William Barclay remarked: “In an atmosphere of faith and expectation the poorest effort can catch fire. In an atmosphere of critical coldness or bland indifference, the most spirit-packed utterance can fall lifeless to the earth.”**

**When people come together to worship God, they will worship God. If people come together to refuse to understand, they will misunderstand. If people come together to see no other point of view but their own, they will see no other point of view. But if people have come together, seeking to love and serve God and each other, even those who are different can come together as disciples of Christ, glorifying God. There is a tremendous responsibility laid on us, in the sense that we can either help and promote or hinder the work of God. May we continue to open our hearts and minds to the Good News of Jesus Christ.**

**May you have a blessed week and an amazing Sunday!  
God bless you!**

**Daily Message from Pope Francis** "Mercy enables us to understand that violence, rancor, vengefulness have no meaning, and the first victim is whoever feels these sentiments, because he deprives himself of his own dignity. Mercy also opens the door of the heart and allows one to express closeness especially to those who are lonely and marginalized, because it makes them feel as brothers and sisters, and as children of one Father. It favors recognition of those who need consolation and helps one find the appropriate words so as to give comfort." ~Pope Francis

**The feast day of St. Veronica is celebrated on July 12.** - St. Veronica is the patron saint of photographers.

Little is known about Veronica. She was a follower of Jesus and present during his crucifixion.

While Jesus carried the cross, she was moved with compassion. She knelt in front of Jesus and used her veil to wipe his face clean. Her kindness is commemorated on the sixth station of the cross prayed by the church.

The soldiers pushed Veronica away and she later discovered the imprint of Christ's face on her veil. It is believed that Veronica left her veil in the care of Pope Clement I, the successor to **St. Peter**.

The veil known as Veronica's Veil is on display at St.Peter's Basilica. The name Veronica means "true image."
