## **Pastoral Administrator's Column - August 4, 2024**

**Dear Parishioners,**

**Grace and peace of Jesus Christ be with you! Today's gospel is part of the lengthy bread of life discourse (John 6:24-59) which clarified the sign of the loaves and the fishes.**

**The crowds who pursued Jesus had followed after him, not because they were disciples who believed, i.e., who had seen the sign of (of the bread) with the perception of faith, but because they had been taken with the material and sensational nature of the signs. They came to be filled again with bread (a free meal) and Jesus offered to them instead the satisfying fullness of his teaching.**

**Perhaps some had come because they had seen in the sign of the bread an indication that the essianic age had come. Several Jewish documents (rabbinical midrashes, etc.) reflected the popular expectation that the Messiah would repeat the miracle of the Manna and effect a new exodus for the chosen people. Significantly, these hopes were attached to the feast of the Passover, and that explains the heightened anticipation and misconception of Jesus' work by the crowds. To those who had hoped for a repeat performance of the Manna, Jesus spoke of non-perishable food "that remains unto life eternal (v. 29) and of real heavenly bread (v. 32). The Manna in the desert melted in the heat of the day, but the food of the son of man (v. 27) and the bread God gives (v.32) would never cease to fill them with blessings."**

**For those who ate of the real bread, every human and spiritual hunger would be satisfied in full communion with God in life eternal..**

**Have an amazing Sunday and a blessed week!**

**God bless you.**

**Our Lady of Perpetual Help's Prayer Chain** - If you know of someone in need of special prayers and would like them listed on OLPH's Prayer Chain or if you're not on our prayer chain list of calls and would like to be, please contact Betty Carter at 607-863-3163 or [chopwood2@hotmail.com](mailto:chopwood2@hotmail.com).

**Broom Sticks**-You probably thought it odd that someone was asking for broom handles, etc. It was my intent to turn them into walking sticks to aid those in the community who were having trouble walking. They are easy to make. Just get a rubber care tip (pharmacy) to put on the bottom and a hole can be drilled in the top to attach a cord for hanging. Gift one to a person in need. It should be used on the side of the stronger leg. The stick and the weak leg step forward together. I will still take any spare sticks. If you need any help I can be reached at 607-863-4289.

*With God's love, Ellie Auberger*
